

NEW!

Legacy 200

Legacy 100

The Legacy

The Legacy, new from Metalcraft, offers a cremation urn with contemporary styling, modern engineering and durable die-cast aluminum construction. The mid-point opening, allows for easy placement of an ash bag with no worries of pouring the cremains through a narrow top. The Legacy can be ordered in two sizes and is available in a new line of color finishes.

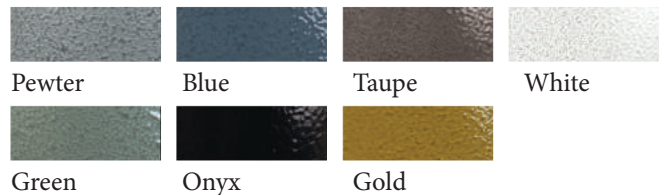

Legacy 200:

Capacity: 200 Cubic Inch
Size: 6.5" X 10"

Legacy 100:

Capacity: 100 Cubic Inch
Size: 5.25" X 8"

Textured Finishes:

Sand Finishes:

Sand Finishes
available in both sizes
